

How to Memorize Scripture

SAY IT, SING IT, LISTEN TO IT

Read it to your children. Read it before bed. Listen to Bible verse music. Listen to audio Bibles.

WRITE IT OUT

Type it. Write it in cursive. Write it in print. Write it with different colored pencils or pens.

MAKE CARDS

Write the verses on a card and carry it with you. Tape the card to a mirror or window. Read your verses when waiting in line, waiting for an appointment, brushing your teeth, washing dishes...

ONE STEP AT A TIME

Concentrate on the first phrase or idea. Learn the next section. Then start putting the phrases together.

SCHEDULE IT

Schedule time to memorize and review. Prioritize it. Make it part of your routine.

REPEAT

Look at old scripture cards. Regularly repeat previous verses. If you don't use it, you might lose it!

MOVE ON TO LARGER VERSES, PASSAGES, AND EVEN BOOKS!
